Sprint 3 Report: Rendezvous

Team Members: Claudio Sangeroki, Ulysses Uribe, Jeshwanth Bheemanpally, Navika Gupta, Adarsh Sekar

Actions to start doing:
- Implement Clean Code and better code structure to the app.
- Fix bugs and redundant code.
- More comprehensive testing before pushing code github

Actions to keep doing:
- Daily meeting check-ins
- Updating others on our progress and asking for help
- Unit testing

Actions to stop doing:
- Working on branch instead of master branch

Work Completed/not completed:
- As a user, I would want to be able to see the different places that I can see around the midpoint in the slide up bar (5) - completed
- As a user, I want to be redirected to the yelp page of a place to find when I click on the place on the slide up bar. (3) - completed
- I would like a list of possible locations to be displayed based on categories - (5)
- As a user, I would want to be able to join a room using a room code - (5)
  - Connecting join room functionality to the room page. - completed

Work Completion rate: 100%
